ABOUT ME

Final-year IT Engineering student passionate about full-stack development. Skilled in React.js, Node.js, Mongo DB. Eager to contribute to real-world projects and grow as a developer through challenging internships.

EDUCATION

- ❖ **St. John College of Engineering and Management**
B. Tech in Information Technology CGPA: 8.23/10 | 2022-2026
- ❖ **Pancham Jr. College of Arts, Commerce and Science**
Higher Secondary (XII) - Science 80.30 % | 2022
- ❖ **Pancham English High School**
Secondary (X) 87.20 % | 2020

SKILLS

- ❖ **Languages :** C, Javascript, Python
- ❖ **Technologies:** React.js, Node.js, MogoDB,
- ❖ **Tools :** Git, VS Code

EXPERIANCE

- ❖ **HeartCounts | **
Technical Support Engineer 1-Dec-2023 to 31-Dec-2023
Final-year IT Engineering student passionate about full-stack development. Skilled in React.js, Node.js, Mongo DB. Eager to contribute to real-world projects and grow as a developer through challenging internships.

PROJECTS

- ❖ **Chat - App | **
Built a full-stack real-time chat app using React.js, Node.js, Express.js, Socket.io, and MongoDB. Implemented JWT authentication, Google OAuth, and responsive UI for one-to-one and group messaging. Deployed on Render with secure, scalable backend and RESTful APIs.
- ❖ **Portfolio | **
Developed a fully responsive and SEO-optimized personal portfolio website using React.js, HTML5, CSS3, and JavaScript to showcase my full-stack projects, technical skills, work experience, and certifications. Integrated smooth page transitions, interactive components, and modular code structure. Leveraged React Router for single-page application navigation and deployed the site on Netlify. Ensured cross-browser compatibility, mobile-first design, and implemented performance optimization techniques for enhanced user experience.

POSITIONS OF RESPONSIBILITY

- ❖ **Member – Information Technology Student Association (ITSA)**
Department Committee, St. John College of Engineering & Management
Contributed as Member of the ITSA committee under the Department of Information Technology. Involved in planning, organizing, and executing various technical events, coding contests to foster technical growth among students. Collaborated with faculty coordinators and peers to promote student engagement. Developed teamwork, leadership, and event coordination skills through active participation in departmental initiatives.
- ❖ **Head – Documentation Team, BIS Committee**
St. John College of Engineering & Management
Led the Documentation Team of the BIS (Bureau of Indian Standards) Committee, responsible for preparing, reviewing, and maintaining official reports, event records, and compliance documents. Coordinated with various sub-teams to ensure accurate and timely documentation aligned with BIS standards and college protocols.
